## *EAST BRUNSWICK COMMUNITY GARDEN*

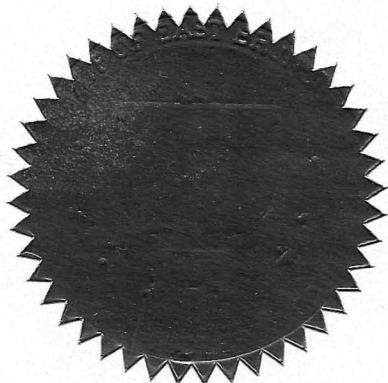

*WHEREAS*, the East Brunswick Community Garden, organized by the Friends of the Environmental Commission, was founded on a desire to create a gardening partnership based on a shared passion for gardening, community service, volunteerism and environmental awareness; and

*WHEREAS*, the Friends got the Community Garden up and running, but the success of the garden was the result of so many gardeners taking part in maintaining the garden and keeping it running; and

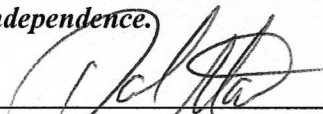

*WHEREAS*, with their combined efforts, the hope was to raise awareness in our community and across a broader front about the importance of community gardening and a shared gardening experience; and

*WHEREAS*, the gardeners and the Friends of the Environmental Commission donated more than 250 pounds of fresh produce to the East Brunswick Senior Center, which Jimmy the chef at the Senior Center used in preparing delicious and nutritious meals for our senior residents;

*NOW, THEREFORE, BE IT PROCLAIMED* that I, David Stahl, Mayor of the Township of East Brunswick, hereby recognize the outstanding efforts and dedication of all involved in making the garden a success and demonstrating the importance of "community" in Community Garden.

*Given Under My Hand and the Great Seal of the Township of East Brunswick this Thirteenth day of September in the Year Two Thousand Ten and in the Two Hundred Thirty-Fourth Year of Our Nation's Independence.*
