

National Garden Bureau Plan
for 20 ft. X 15 ft.

Vegetable Garden

DIVIDE GARDEN INTO FIVE BEDS, EACH 2 ft. WIDE,
WITH 1 ft. WIDE WALKS BETWEEN BEDS

This exact garden was planted and photographed by National Garden Bureau, Inc. to produce an 80-slide set **PLANNING AND PLANTING A VEGETABLE GARDEN**. This set is for beginning gardeners. More advanced gardeners will be interested in the 80-slide set, **ADVANCED VEGETABLE GARDENING**. Both are available from National Garden Bureau, Inc., 1186 Los Altos Avenue, Los Altos, CA 94022. Phone (415) 941-2030. Contact the office for rental and purchase prices. The slides are in heavy demand; specify alternate dates.

National Garden Bureau has developed a larger and more comprehensive illustrated two-color garden plan, called the **NONSTOP VEGETABLE GARDEN**. This is available to home gardeners for \$1.00 USA. Directions are given for maximum food production from spring, summer and fall gardens on a 600 square foot plot.
