

# Plot border construction:

If you want to border your plot use:

- Four 2x4 or 2x6- 10' pieces of wood.
- 4 elbow brackets
- Screw it together

Total cost about \$35.00

Total time about half an hour.

(One year registration credit)

If interested and cannot do it yourself, let us know.

**Use only EPP (Environmentally Preferable Product) treated wood (available at both Home Depot and Lowe's). Look for this label:**
